Batteries

Alkaline Batteries now fall below federal and state hazardous waste standards, and should be disposed of in your regular trash.

Rechargeable batteries, found in cordless power tools, cellular and cordless phones, laptop computers, and remote control toys must still be recycled.

Prior to bringing your batteries to HHWCollection, you will need to cap or tape each terminal end of every battery.

Latex Paint

Latex paint manufactured after 1991 now falls below federal and state hazardous waste standards. It will not be accepted at HHW Days.

Instead, let paint air dry, or use cat litter, sand or another absorbent, then dispose of in your regular trash (remove all lids).

Fluorescent Bulbs

To be accepted at HHW Days, you must place bulbs back in original packaging, in an air tight container or wrap the bulb in cellophane, newspaper, or duct tape.

Reminder:

Please DO NOT bring helium, freon or oxygen tanks to HHW Days, only propane barbecue tanks are accepted.

FREE TIRE AMNESTY EVENT @ HHW DAYS!

Hudson County residents are asked to bring no more than 4 tires for proper disposal. If you cannot participate in this year's Tire Amnesty Event, either store tires indoors (in a garage or shed) or cover them until they can be disposed of properly.*

*Contact your municipal DPW for disposal locations and cost.
