TESTIMONIAL
G & R Builders and Roofing has been advertising with The Observer for many years. This is what he had to say.
I am certain I will continue to do so for many years to come. I get many calls from our ad in the Classified Section and we estimate that of those calls, at least 90% of them we actually do business with.
That's an incredible percentage and because of it, we don't advertise anywhere else anymore because there is no need. The investment of paying for an ad in The Observer has paid off in ways I never thought possible. Be patient and you'll see — advertising with The Observer long-term works.

ARS

Continued from Page 7

Whitaker breaking into song to reflect his feelings of the script that episode.

Whitaker does not deny or isn't shy about his life after his height of fame. Addiction was part of his life. Whitaker has come a long way, clean and sober for a large portion of his life. And, he is now a drug/addiction counselor, to mostly Spanish-speaking addicts.

I mentioned that Whitaker is the least Spanish speaking person I have seen but his Spanish is pure perfection. The name of his organization is www.pasodorpaso.org, which in English means "step by step."

Garver, meanwhile, has not aged an iota. She even jokingly said she has had the same haircut for many, many years. I laughed because, so do I -- and she said something that stuck with me -- your hairstyle is from the happiest time in your life and I'll go with that, too.

Garver has been quite busy over the years in the entertainment industry but not necessarily in front of the camera. She found a home with voiceovers and paid speaking engagements. She is a hit at Comic Con conventions because fans

know her from her voiceovers in "Spider Man" and other action hero cartoons along with many other cartoons. Her voice may also be heard in major block buster films like "Apollo 13," "Ransom" and "Jingle All the Way."

Besides voiceovers, she has also appeared in stage performances and is also an author.

You might also enjoy her books, "Surviving Cissey: My Family Affair of Life in Hollywood," "X Child Stars: Where are They Now?" and her cookbooks. She also has a show "TV Dinners, Cooking With Celebrities."

And something really exciting for the fans and those who love to cook, Garver has a YouTube cooking channel called "Cooking with Kathy and Scott and friends." Love to cook or just watch cooking shows? You should really check this out.

On another note, Garver welcomes amateur chefs to show them what they've got. You may submit yourself preparing a recipe and they will air it on their YouTube channel. To do so, send an email to kgarver333@aol.com.

Coming up on ARS is new artist DICI, Sterling Mire and Stacey Lattisaw is coming back. Check out our calendar to see all our upcoming guests at www.applauseradioshow.com.
